EDUCATION

Clark University

2002–2007

PhD in Geography, December 2007

Dissertation: Discourses About Wildfire in New Jersey and New South Wales

Advisors: Roger Kasperson and Colin Polsky

Additional committee members: Seth Tuler, John Rogan, and B.L. Turner II

Colgate University

1998–2002

BA in Geography, and in Sociology and Anthropology

Summa Cum Laude, Class of 2002 Valedictorian

High Honors Thesis (Geography): Ideology and Environmental Degradation in the Aral Sea Basin

Honors Thesis (Anthropology): Oneida-Archaeologist Relations: A Utilitarian Perspective on

Cooperation Between American Indians and Archaeologists

TEACHING EXPERIENCE

Associate Professor, Geography, Geology and the Environment, Slippery Rock University

Fall 2015–present

Designed and taught courses including Discover Geography, World Regional Geography, Understanding the Physical World, Environmental Justice, Cultural Geography, Economic Geography, Australia, Gender and the Environment, General Methods of Fieldwork, and World Environmental Cultures.

Assistant Professor, Geography, Geology and the Environment, Slippery Rock University

Fall 2009–Spring 2015

Designed and taught courses including Discover Geography, World Regional Geography, Environmental Justice, Cultural Geography, Australia, Geography of Intolerance, Gender and the Environment, and World Environmental Thought.

Instructor, Pima Community College (Northwest Campus)

Spring 2008–Spring 2009

Designed and taught introductory Cultural Geography course

Substitute Teacher, Casa Grande Union High School

Spring 2007–Fall 2007

Conducted lessons for teachers who were unable to be present

Teaching Assistant, Clark University

Fall 2005, Fall 2002

Supervised two 2-hour labs for Introduction to Geographic Information Systems and Introduction to Weather, Climate, and Landforms, held office hours and test review sessions, graded written work
Supervisors: Eugenio Marcano, Laurence Lewis

Seminar in College Teaching, Colleges of Worcester Consortium

Fall 2005

Statement of teaching philosophy available online: <http://debitage.net/academic/teachphil.html>

GRANTS AND RESEARCH EXPERIENCE

ASIANetwork Freeman Student-Faculty Fellows Program

Summer 2019

“Forest Fire and Forest Management in Yunnan, China”

Along with Dr. Jialing Wang, accompanied five students to study forest fire management in Yunnan, China.

College of Health, Environment, and Science Research Grant

Spring 2010–Spring 2011

“Wildfire Managers’ Understanding of the Public’s Views of Wildfire Risk”

Conducted background research, interviews and “Q Method” card sorting exercises with key stakeholders in the New Jersey Pine Barrens, for a study on perceptions of wildfire risk and management.

National Science Foundation Doctoral Dissertation Improvement Grant

Fall 2005–Fall 2007

“Discourses About Wildfire in New Jersey and New South Wales”

Conducted background research, interviews, “Q Method” card sorting exercises, and mail surveys with key stakeholders and ordinary residents of the New Jersey Pine Barrens and the outer suburbs of Sydney, NSW, for a study on perceptions of wildfire risk and management.

Research Assistant, Social and Environmental Research Institute

Fall 2003–Fall 2007

“Three Evaluative Tools to Empower Local Communities in the Environmental Clean Up of Sediment Contaminated Sites: A Comparative Analysis” (Cooperative agreement with US EPA)

Conducted background research, interviews, “Q Method” card sorting exercises, focus groups, and mail survey; and participated in analysis, writeup, scholarly and stakeholder presentation, and publication of results, for a study on public participation in Superfund site cleanups.
Supervisor: Seth Tuler
